Duke Lite

- Power Recline
- Aluminium Cup Holder
- 100% Top Grain Leather & Leather Match

The Duke Lite was developed as a more value-oriented option within the Duke lineup. A standout feature of the Duke range is its ability to accommodate four armchairs within a space of less than 3 meters in width, making it an ideal solution for home cinemas with narrower room dimensions. The Duke series comprises 3 versions and they can be mixed and matched to create your perfect cinema.

Duke

- Power Recline
- Power Headrest
- Powered Accessory Port
- 100% Top Grain Leather
- Included Tray Table
- Chilled Cupholder
- Wireless Charger on 2 Arm version

The Duke range was developed to offer a quality cinema seat with a narrower footprint. Most cinema seats on the market are wide in their footprint so we developed Duke so that you have the ability to have 4 chairs with arms in less than 3m of width. This allows Duke to fit into many Home Cinemas with a narrower room width. The Duke series comprises 3 versions and they can be mixed and matched to create your perfect cinema.
